(ISO 9001:2015 CERTIFIED)

Statutory declaration under section 4 (1) (b) of Right to Information (RTI) Act-2005

RTC Institute of Technology, Anandi, Ormanjhi, Ranchi hereby makes a statutory declaration that it exercises right to information for citizens to secure access to information under the control of public authorities, in order to promote transparency and accountability in the working of every public authority, the constitution of a Central Information Commission and State Information Commissions and for matters connected therewith or incidental thereto under Section 4(l) (b) of the RTI Act 2005 as issued and amended from time to time. Institute is affiliated to Jharkhand University of Technology, Ranchi which has already made provision and accept all applications related to RTI as per RTI act.

The RTI act:

The Right to Information Act, 2005 (22 of 2005) has been enacted by the Parliament and has come into force from 15 June 2005. This Act provides for right to information for citizens to secure access to information under the control authorities in order to promote transparency and accountability in the working of every public authority. All Universities and Colleges established by law made by Parliament or by State Legislature or by notification by the appropriate Government or owned, controlled or substanti ally financed directly or indirectly by funds provided by the Government shall come within the meaning of a Public Authority under this Act.

Whereas some provisions of this act have come into effect immediately on its enactment (that is on 15June 2005), other provisions shall come into effect on 100 /120 days of its enactment. All Universities and colleges are therefore advised to carefully go through this Act and take necessary steps for implementation of various provisions including proactive disclosure of certain kind of information. Such information shall be made available to the public at large through the kind of website by concerned university/college.
