Dear {Recipient.Name},

Congratulations! On behalf of the ICACA-2026 Technical Program Committee, we are pleased to inform you that your paper(Paper ID:{Submission.Id} titled {Submission.Title}) has been accepted for oral presentation at the 4th International Conference on Advanced Computing and Applications (ICACA-2026) Organized by the IETE, New Delhi and RTC IT, Ranchi to be held during March 06-07, 2026 at Jharkhand University of Technology, Science and Technology Campus, Sirkatoli Namkum , Ranchi , PIN 834010, Jharkhandand for consideration of publication by Springer series of "Lecture Notes in Networks and Systems".

ICACA-2026 received a good number of quality submissions from the research fraternity all over India and outside India. Each paper has been peer reviewed by independent reviewers and based on their recommendations, your paper has been accepted. Please note that ICACA-2026 doesn't encourage withdrawals after a paper is accepted.

This email provides you with all the required information to complete your paper and make it ready for inclusion in the Springer proceedings. Please read carefully the following steps before finalizing your paper.

1. Please see the reviewers' comments in your CMT account, which would enable you to improve your paper for final publication. The listed comments should be addressed in your final Camera Ready paper, failing which your paper may not be considered for publication.

ICACA-2026 mandates that the submitted manuscript (including text, figures and tables) is solely from the author's own work and not borrowed from any third party sources, unless the author gets explicit permission for use of the borrowed content from the third party sources. Proper citation and due credit have to be given to the work that is originally published. In addition, the reuse of part of a published figure or table necessitates copyright permission from the publishers that hold the rights.

ICACA-2026 Technical Program Committee considers plagiarism and AI Content in the paper as a serious offence and no author should violate the ethics of publishing in any form. Any plagiarized and AI content detected after submission of the final materials to Springer may lead to outright rejection at any stage of publication process of the article along with notifying the concerned authorities about the author's misconduct.

The Registration fees for presenting and publishing the paper is as follows:
    Indian Author Rs. 5000 + Rs. 1000(Registration fee) including GST(Rs. 500 less for IETE, CSI, IEEE members)
    Foreign Authors $150 + $50(Registration fee) including GST
The Bank details

    Swift Code: SBININBB
    CONTACT NO: 943118282961
Registration of at least one author is mandatory including presentation of the paper during the conference(No presentation in the conference no publication).If multiple authors register for the same paper the author presented the paper will get presentation certificate and others register authors will get the participation certificate.

2. Prepare your manuscript using the standard Springer conference template.
The final paper should contain page numbers.
3. Please check the following while preparing your final paper.
a) Please use Title Case for the paper title, i.e. capitalizing all main words.
b) All author names should be accompanied by their respective affiliations in full along with their email addresses and ORCID IDs. Moreover, the corresponding author should also be marked by an asterisk.
c) Please ensure to add an abstract of no more than 200 words.
d) You must modify the manuscripts as per reviewers comments and suggestions, failing which your paper may not be considered for publication by Springer.
e) Your paper should contain 4-5 keywords.
f) Papers should be at most 12 pages in total, including references and appendices, using 11 point font and reasonable margins. Extra charges of Rs.500/- or USD 10 per page is required after 12 pages and maximum page limit can be 15 in that case.
g) Do not use "Dr.", "Prof.", "Research Scholar" or any other salutation in the author names.
h) As per Springer, all authors submitting papers to a contributed volume must grant Springer specific permission to publish the work. This is a legal requirement that arises from provisions of copyright law and acts as additional protection for you.
i) The similarity index for a submitted paper should be below 10% (including all source) with not more than 4% from a single source and AI content must be below 20% in your revised Camera Ready paper.
j) No addition, removal, alteration (in terms of the order of author name) will be entertained. This is strictly prohibited.
k) Only the registered author should present the paper, certificate will be given to the paper presenter only.
l) After the presentation, if the paper is not possible to upload into the Springer portal due to any of the above-mentioned reason, no registration fee will be refunded.
4. Once you have prepared your final Camera Ready Paper by taking into consideration all the aforementioned checks, please bundle the editable source files of your paper [MSWord document or (.tex, .bib, .eps etc. if using LaTeX)] along with (a) signed Consent To Publish Form, (b) signed Permissions Request Form, (c) Registration Form, and (d) e-Payment receipt as a single Zip file and send to icaca2026@rtcit.ac.in with the subject line <<Final Camera Ready Paper for Paper ID: [insert your CMT Paper ID here]>>. PLEASE DO NOT UPLOAD YOUR REVISED PAPER TO CMT.
If you have any problems or want to clarify any doubts, please email at csikolkataevent@gmail.com mentioning your Paper ID.
----

* Deadline for registration: 28 February 2026 (Firm) *
* Deadline for camera ready paper: 28 February 2026 (Firm) *
----
5. Please note that an accepted paper will be published in the proceedings only if the final version is accompanied by the appropriate registration and payment information and presentation of the paper by at least one of the authors.
At least one author must attend the conference to present his/her papers and get access to hear to some of the leading scientists in this field.

Sincerely,

Technical Program Committee Chairs,
ICACA-2026
